THE DETAILS

Choose a square that matches the book you want to read - or let the squares guide your next read. Audiobooks, paper books, and eBooks all count.

Write the title of the book you read in the matching square at right. The yellow squares are the Free Spaces. For these, write your answer to the question.

Only one square per title - even though the book might work for several.

Complete a Bingo line - vertical, horizontal, or diagonal - and bring your card back to the library to be entered in the drawing.

The drawing is at 11 am on September 2, 2023. Join us for the fun & refreshments!

NEED HELP CHOOSING A BOOK?

The librarians at NWPL are here to help! We brainstormed a list of books for a few Bingo categories and posted them to our website. Of course, we are more than happy to help you in person.
