

What's fun in the sun and cool in the shade?

NWPL SUMMER BOOK BINGO

Note your answers here!

THE DETAILS

Choose a square that matches the book you want to read – or let the squares guide what you choose to read next. Audiobooks, printed books, and eBooks all count.

Write the title of the book you read in the matching square at right. The yellow squares with questions are the “free spaces.” Write your answer in the corresponding block.

Only one square per title – even though the book might work for several.

Complete a Bingo line – vertical, horizontal, or diagonal – and bring your card back to the library to be entered in the drawings.

Join us for the drawings, refreshments, and fun on Saturday, September 7 at 11 am!

NEED HELP CHOOSING A BOOK?

The librarians at NWPL are here to help! We are more than happy to suggest a title, author, or topic for you to discover. Or we can point out a section for you to explore on your own.
