

MEZZANINE GALLERY
— AT THE —
NORMAN WILLIAMS PUBLIC LIBRARY

Dear Artist,

Thank you for your interest in exhibiting in the Mezzanine Gallery here at NWPL. We are delighted that you are considering this space as a venue to showcase your artwork.

The Library Arts Committee requires that potential exhibitors go through an application process, as the library reserves the right to screen potential exhibits for type, suitability, quality, and space requirements. As part of the application process, we encourage you to visit the gallery space to determine if it is appropriate for your work. Keep in mind that we accept two dimensional work only and request that the majority of pieces have not been exhibited locally within the past two years.

The Guidelines for Exhibiting Artists is included in this information packet along with an Application for Exhibit. When you look over these important guidelines, consider whether a solo or joint exhibit would be the best fit for you.

Please fill out the application and email it back to us or drop it off at NWPL's circulation desk for consideration at our next monthly meeting.

Thanks again for your interest,

Committee members,
NWPL Mezzanine Gallery Committee

The concept for your exhibit:

Proposed title:

Preferred months for exhibit:

Please attach at least 5 photos of your work.

GUIDELINES FOR EXHIBITING ARTISTS

ART COMMITTEE SUPPORT

Each exhibiting artist has a designated contact person from the Art Committee who will be in touch with 6-8 weeks prior to your exhibition. An "Exhibiting Artist To-Do" list will be sent to help you get organized.

OPENING RECEPTION

We encourage you to plan an opening or artist reception to be held during your exhibition. You will work with your contact to determine a date that works for you and the library.

You are expected to provide your own refreshments and paper goods and are responsible for cleaning up at the end. In order to have wine or beer served at your reception, the library must apply to the town and state for a permit. This takes a few weeks so your contact must be notified at least a month before the reception date.

PUBLICITY

Within the Application Form, we ask that you submit information about yourself and your exhibit along with 2-5 photos of your work.

The library creates a poster and places notices in the following: Woodstock List Serve, NWPL newsletter, website and social media. We encourage you to share the poster, perhaps print postcards, and get word out to your contacts.

INSTALLATION OF EXHIBITS

Artists are responsible for installing and taking down their artwork on specified dates coordinated with your contact person.

Artwork must have the proper hardware and wire for hanging from appropriate picture hooks. NWPL has a box of hooks which you are welcome to use. Your contact will help you access our supplies and make sure they are returned to the closet. The dimensions of the two walls in the gallery space are 6'7"H x 9'5" W each. Artists are responsible for any damage to the gallery wall if it should occur.

Labels for each piece of work should be made, preferably on grey card stock. An 8.5x11" artist's statement may be displayed.

We will make every effort to make sure that your work is safe and properly cared for while exhibited but NWPL cannot be responsible for loss, theft, or damage to artwork while it's on display.

EXHIBIT FEE

There is a fee of \$25 for solo exhibits, payable to the NWPL (or cash) Payment is due prior to the installation of the exhibit and can be dropped off at the reference desk at the library.

SALE OF ARTWORK

The price of your artwork will be included in the label or if it's not for sale, marked NFS. Potential buyers must be in direct contact with you regarding a purchase and any sold work should remain in place throughout the exhibit when possible. The Mezzanine Gallery is a volunteer run exhibition space that does not charge a commission on sale of artwork. Donations to the Gallery or the Library are appreciated.
