Help Us Keep the Heart of Woodstock Thriving.

The Norman Williams Public Library is more than just a building; it is your community gathering place. Whether fostering a love of reading, providing a space for the free exchange of ideas, or offering the expertise of our dedicated staff, we strive to serve everyone with respect in a warm, welcoming environment.

While our doors and services are open to all, NWPL has a unique funding model. Your library is a privately-sustained public resource. **Two-thirds of our annual operating budget must be raised through the generosity of people like you.**

Your support allows us to offer all programs and services free of charge, including:

- **Expanded technology access**, including our recent collaboration with the Chamber of Commerce to provide free, high-speed Wi-Fi across the entire Village Green.
- **Lifelong learning resources** that touch thousands of lives every year.
- **State-of-the-art programming** for all ages, which is currently more popular than ever.

We thank you for your support and hope you will continue to help. As we approach the end of our fiscal year on June 30, we ask you to consider a donation to help us sustain these vital services. Your contribution ensures that NWPL remains a cornerstone of our community for years to come.

On behalf of the staff, volunteers, and trustees thank you for your continued support and for being a part of our story.

Sincerely,

Clare McFarland
